# Our Vision

A better future for children from economically weaker sections of the community through **education**

# Our Journey

- Started in the year 2001 informally by a group of like-minded individuals to help economically weaker students
- Formally registered in the year 2002.
- About 400 students have been supported by FoCh.
- Volunteer driven organization with **no overheads**
- Select, support and mentor students

# Mentoring

- Weekend sessions at Bhavan Bangalore Press School
- More academic focus for PU students
- Broader focus for degree students:
  - News paper reading, Presentation skills, Group Discussion, Aptitude classes
  - Mock Interviews by external panel members
- Regular one-one discussion with the students
- Conducting events and competition.
